

Omar Hassanein is General Manager of Player Services and Operations. He will be well known to many RUPA members through his long and outstanding career in Australian Rugby, playing for Randwick, Australia A in 2002 and the NSW Waratahs for three (3) years. He has recently returned from playing in Japan, France and Italy.

As a result of his extensive rugby exposure, Omar has a strong connection with players, coaches, managers, player agents and administrative staff throughout the country. He has a thorough understanding of the operations involved in Australian Rugby.

Omar's tertiary background includes a Bachelor of Business Management - majoring in Marketing and International Business, as well as Post graduate studies in Applied Finance. Omar is currently undertaking further Post graduate studies in Sports Law at the University of Melbourne.
